

**GENERAL PRACTITIONER
LOCATED IN ADELAIDE'S NORTH EASTERN SUBURB OF HIGHBURY
FULL TIME OR PART TIME**

Position available from November 2017

Adelaide Unicare is a company which is 100% owned and controlled by the University of Adelaide. They have strong ties with the University of Adelaide's Faculty of Health Sciences which offers ongoing networking, training and developmental opportunities. Adelaide Unicare owns and runs 5 General Practices in South Australia.

Currently we have a vacancy in our Unihealth Highbury Practice for a General Practitioner. The Practice is located in the suburb of Highbury which is a beautiful leafy suburb north east of Adelaide in the foothills and is approximately 14 kms from Adelaide's CBD.

Applicants must be "unrestricted" – ie they must have Specialist Registration with AHPRA and not be subject to Medicare's 10 year moratorium.

Applicants will need to have wide experience of working in a general practice – and comfortable working with patients of all age cohorts. Adelaide Unicare is committed to providing work/life balance and this role can be adapted to be a full time or part time position to suit your lifestyle.

The Practice is a mixed billing practice & is fully accredited with AGPAL. The team of 9 General Practitioners is supported by a highly experienced Practice Manager, practice nurses, allied health providers & administrative staff. There is also an on-site pathology collection centre which is very convenient for patients.

As an independent contractor, Adelaide Unicare provides all services, facilities, infrastructure, nursing and administrative staff. The amount charged by Adelaide Unicare for the provision of such services is modest with doctors retaining approximately 70% of their gross billings. These arrangements mean you can focus on what matters most to you – your patients. Full time doctors can expect to generate above market related earnings.

The Practice has a strong focus on Teaching & Research in association with the University of Adelaide. These links mean that the Practice is involved with undergraduate teaching of medical students from the University of Adelaide. It also has been involved with the University of Adelaide in a number of research projects

If you meet the requisites for this role and are looking for a new and exciting challenge, we would like to see your resume. If you would like to know more, please apply by sending your current résumé and a covering letter to the Practice Manager, Nicole Smith, at nicole.smith@adelaide.edu.au.
