## **PRE-UNIVERSITY PLACEMENT SEROLOGY SCREENING PROCESS FOR STUDENTS**

### **FIRST APPOINTMENT**

- 1 Please make an appointment with a Doctor for student screening at University Health Practice (phone: 83135050) or Gawler Place Medical Practice (phone: 82127175). You can either do this by online bookings available through our website or by phoning reception at either of the practices. **IMPORTANT: It is very important that you bring to this appointment proof and history of all past immunisations records you have had since childhood including any travel vaccines.** Your first appointment is a non-claimable appointment and a fee of **50.00** will apply on the day to see the doctor.
- 2 At your first visit you will be asked to see Clinical Labs who are onsite to have your blood taken if it is necessary. Each screening that you have done at Clinical Labs will incur a cost for any pathology tests that are done. **The cost will depend on how many pathology tests and vaccinations you need done. Hence it is important to bring all of your past vaccination history.**
- 3 You may need a second appointment a week later to discuss your pathology results and to have any required vaccinations.

### **SECOND APPOINTMENT**

- 1 At this appointment you will see **the doctor for the results of the blood tests** and also **have any vaccines that you may require.**
- 2 The doctor will see you first to discuss your results and also to do a general health check. If vaccinations are required you will then see the nurse and have them done on this day.

**Please note:** On your first visit the doctors fee is \$50.00. This is a non-claimable consultation.

There will also be pathology costs for any screening if bloods are taken.

On your second visit you will be required to pay for any vaccines that are administered.
