CONSENTS & PATIENT PRIVACY

Adelaide Unicare is a 100% controlled entity of the University of Adelaide. From time to time University educators & researchers may wish to access your *de-identified* medical records & medical photographs for teaching, training & research purposes. *De-identified* data is also sent to the local Primary Health Network as part of identifying quality improvement measures.

I have read, understood and agree to the above and consent to my *de-identified* medical records & medical photography being used in the manner described, subject to any limitations on access or disclosure about which I notify this Practice now or at any time in the future. Please note – if any of your private details are to be disclosed then your further consent will be obtained

The personal health information that you provide during your consultation and subsequent treatment will be used for the purposes of providing you with high quality health care. Our policy is to protect your privacy and accordingly the information you provide will only be disclosed to other members of your medical treatment team where necessary. It will also be disclosed to other organisations where required by law or where required for billing or debt recovery purposes.

A copy of our full Patient Privacy Policy is available on our website at www.adelaideunicare.com.au. If you have any concerns about the way we manage your health information please let us know. In the first instance this can be done by contacting the Practice Manager or your doctor. Alternatively we have a suggestion box in the patient waiting area. If you are still dissatisfied, you can contact the Federal Privacy Commissioner at:-

Office of the Australian Information Commissioner (OAIC)
GPO Box 5218
